Speaker Confirmation

Dear Doctor:

Thank you for agreeing to speak at the upcoming Primary Care UPDATES conference series. We are pleased to provide you with this Speaker Package for your convenience. See below for details and for helpful hints.

SPEAKER OBLIGATIONS:

- Please arrive on-site 30-40 minutes prior to your session to deal with last minute items around A/V, slide and microphone set up etc.
- We will have a copy of your presentation on site however, it is strongly recommended you bring a back-up copy of your latest slides on either a USB stick or CD ROM.
- Please deliver the content that was accredited by the CFPC to ensure learners receive their credits and to maximize learning process.
- Attendees will closely follow your presentation in their syllabus. Staying close to the accredited content will maximize knowledge transfer and avoid losing the audience.
- On-site changes to Touch Pad questions are not advisable, as the Audience Response system requires programming in advance. We appreciate receiving changes to questions several days before the meeting.
- Please see the attached document for your specific time, day, place of your presentation
- We use CFPC Program/Speaker Evaluations. We will be pleased to share the learner satisfaction scores as soon as these are processed.

Please contact either myself, (aszucs@divcomevents.com or 1-888-443-6786 Ext 2250) or Mrs. Carolin Murawsky (cmurawsky@divcomevents.com Ext 2253) if you have any questions about the program or if we can be of additional service.

On behalf of the attendees, thank you very much for making this primary care educational conference a success!

Sincerely,

A handwritten signature in black ink that reads "Alex Szucs".
